

Crescent Update

Having acquired the TruVue matboard line in 2004, Crescent has completed the process of reducing and integrating the former TruVue mats into existing Crescent lines.

We are pleased to announce that the Vicki Schober Co. will carry the complete assortment of product offerings.

TruVue's Ultimat and UltiBlack mats have been absorbed into the Crescent Select line. Eighteen new Select colors and four new Crescent Accents have been added to this alpha-cellulose product line which includes Crescent Britecore.

TruVue's International Standard White mats have been combined with Whitecore Basics to form the new Crescent International Whitecore line.

TruVue UltiBlack mats will now be known as Crescent Select™ UltiBlack® and have been renumbered as indicated below. See pricing on page 23.
