**Bainbridge Artcare™ Restore**

Mount art in just 15-30 seconds on a mechanical press, or as little as 2 minutes in most vacuum presses. Patented Artcare™ technology actively protects harmful effects of outgassing and damaging pollutants. Ultra smooth mount not achievable with other archival mounting methods. Safely reverse art to its exact, pre-mounting condition. Non-permeable adhesive meets all archival standards and can be completely removed from art.

ARTCARE™ RESTORE 25/ CTN	SIZE	THICKNESS	1-24	1 CTN	2 CTN	4 CTN	8 CTN
AR3240 36	32X40	3/ 16"	12.60	171.00 6.84/SHEET	163.13 6.52/SHEET	156.38 6.26/SHEET	149.63 5.99/SHEET
AR4060 36	40X60	3/ 16"	22.06	299.44 11.98/SHEET	285.65 11.43/SHEET	273.83 10.95/SHEET	262.01 10.48/SHEET

**SpeedMount** is a super fast dry-mount foamboard which can be used at a lower mounting temperature, 150°. The lower temperature limits the amount of adhesive absorption and it is removable by re-heating.

BAINBRIDGE SPEEDMOUNT 25/ CTN	SIZE	THICKNESS	1-24	1 CTN	2 CTN	4 CTN	8 CTN
CSPEED3240	32X40	3/ 16"	10.19	138.32 5.53/SHEET	131.95 5.28/SHEET	126.49 5.06/SHEET	121.03 4.84/SHEET

**SmoothMount** foam is great for laminating digital prints as well as traditional mounting. It is made of enhanced extruded polystyrene foam with 12 point clay-coated liners, which gives it a harder feel and greater rigidity. It is a full 1/4" thick.

BAINBRIDGE SMOOTHMOUNT 25/ CTN	SIZE	THICKNESS	1-24	1 CTN	2 CTN	4 CTN	8 CTN
